

Very-narrow-aisle Forklift Robot

GALAXIS

High-density Storage
Rapid deployment

Pallet transportation and storage solution

Capable for pallets and bulky goods
Handling with maximum payload of 1,000kg

Multiple applications

VFR-CL1

Max. Lifting Height

2,000mm

Rated Speed

1.2m/s

Position Deviation

Correction with LiDAR

Navigation

**Hybrid
SLAM+QR code**

Max. Payload

1,000kg

Aisle Width

1,650mm

CE certified

Application

Docking

Stacking

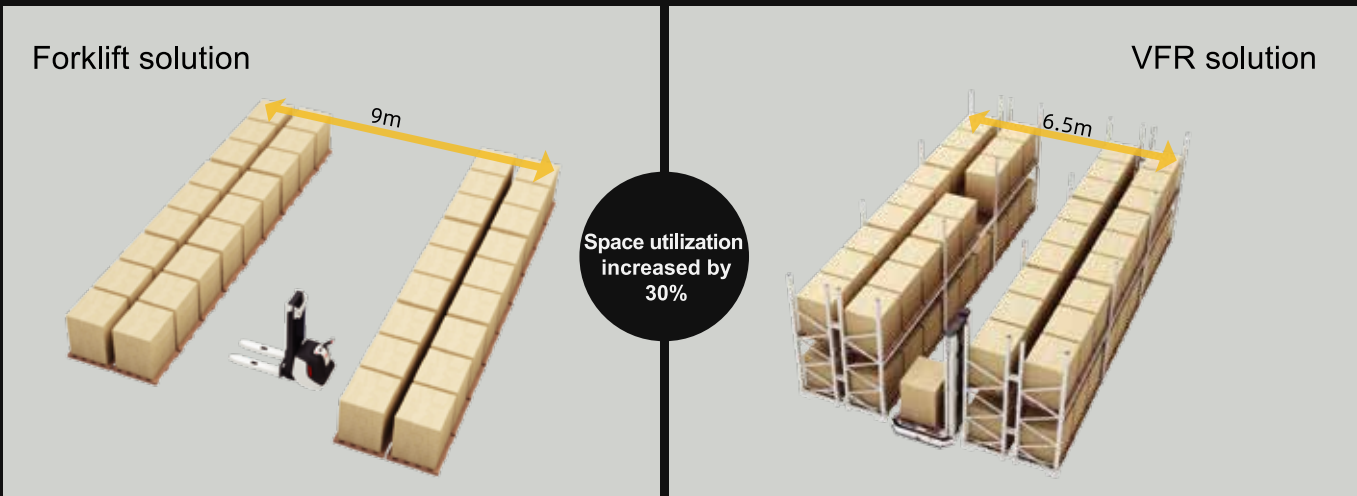

Storage

Transportation

Space Utilization

Application Industry

Manufacturing

Pharmaceuticals

Fashion & Apparel
